- Supported the NYC H+H Hotel Wellness program consisting of 13 facilities dispersed throughout.
- Provided 550+ medical staff to augment 12 NYC H+H hospitals.
- Provided medical staffing to COVID operations for 37+ facilities throughout Washington State & Idaho.
- Positioned for response to medical surge requirements within 72 hours.

Learn More About Acuity

Acuity's team can help ease the burden on a hospital system and its staff by supplying additional resources to augment hospital surge capacity and/or providing a facility to care for less critical medical emergencies.

The Acuity teams consists of nurses, CNAs, LPNs, respiratory therapists, hospitalists, family medicine and emergency physicians, advanced practice providers, pharmacists and pharmacy staff, as well as laboratory, dietary, physical therapy, and x-ray services.

This multi-disciplinary approach helped, and saved, hundreds of COVID patients during the pandemic. Delivering positive, predictable outcomes to ensure high-capacity, and high-quality, levels of care, Acuity is a proven expert at finding creative logistics, staffing, and medical services solutions to help you free up hospital beds for those most in need. Call 703.261.1110 to get help for your team.

Licenses and Certifications include: PMP, Lean Six Sigma, CompTIA Network Security+, and Certified Social Worker in Health Care (C-SWHC).
