## About Acuity International

Acuity International works closely with federal, state, and local governments around the world to build safe, secure, healthy and thriving communities. We are a single source for healthcare, humanitarian, emergency and disaster response, and security operations in all corners of the world.

## Core Capabilities

- Base Camps, Housing, and Shelters
- Comprehensive Wraparound Services
- Procurement, Logistics, and Transportation
- Support Staffing
- Medical Services and Emergency Preparedness
- Program, Construction, and Grants Management

## Expertise in Disaster Response and Recovery

- Over 20 years of experience in managing disaster relief operations.
- Demonstrated response operations for natural disasters, pandemics, and humanitarian crises.
- Certified professionals in emergency management and logistics.
- Proven methodologies for effective crisis handling.

## Rapid Deployment and Mobilization

- Operational response within 72 hours.
- Global network enabling swift action anywhere.
- Equipped with advanced tools and technology.
- Minimizing impact through immediate action.

## Past Performance

Acuity has significant experience in:

- Providing support services to migrant populations
- Leading pandemic prevention, response and recovery
- Responding to disasters and emergencies

## Humanitarian Emergency Response & Relief Centers (HERCCs)

- Provided culturally sensitive support services for asylum seekers' mental health.
- Nurses performed 24/7 health assessments and triage upon arrival.
- Operated across 15 sites in NYC, serving over 25,000 individuals.
- Staff included social workers and case managers who assisted with resource navigation.

## Emergency Shelter Operations

- Operated shelters in Long Beach (7 days) and Homestead (30 days).
- Focused on unaccompanied individuals, providing program and case management.
- Offered 3,700+ beds and was staffed by 5,200 workers.
- Delivered Case Management and Reunification Services to over 34,000 individuals.

## Medical Surge and Staffing Services

- Supported 21 hospitals with COVID-19 testing, treatment, and staffing.
- Deployed 4,300+ staff, managing 68 medical facilities.
- Treated and vaccinated 50,000 patients; administered 40,000 COVID tests.
- Provided wellness programs in hotels for discharged, unhoused patients.
